LETTER FROM THE MAYOR OF HIGHLAND HILLS

Michael L. Booker

Greetings:

As only the 2nd Mayor in the history of Highland Hills, Ohio and a born and bred son of the city of Cleveland. I'd like to welcome the Women's Council of the National Association of Real Estate Brokers (WCNAREB), Women's Council of Ohio (WCOH) and all conference attendees to the great State of Ohio and the City of Cleveland.

Since 1971 (although we all know it started way before then) your impact on real estate is visible in every corner of America. Your commitment to training and developing leaders throughout the industry is not only commendable but invaluable to building generational wealth and the American dream of ownership. No matter if it is commercial or residential, it is organizations like yours that are the driving force in making what seems to be the impossible, possible.

Although I am not the official ambassador for the City of Cleveland, I encourage you to explore our great region. From the Pro Football Hall of Fame to the Rock and Roll Hall of Fame, from Slavic Village to Playhouse Square; there is so much culture and diversity that it is impossible to take it all in but, I sure hope you will try. If you do, I know you will make a friend or two that will bring you back to see us again because that's just how special this place and the people are.

So, on behalf of all Northeast Ohio, especially the Village of Highland Hills, we wish for you to have an amazingly, impactful conference filled with lasting knowledge and unforgettable memories of fellowship. If you do not remember anything else about Ohio, remember that "Highland Hills is a Big Deal and so are YOU."

Kind regards,

Michael L. Booker

WOMEN'S COUNCIL OF THE NATIONAL ASSOCIATION OF REAL ESTATE BROKERS, INC.

HISTORY

The genesis of the Women's Council of the National Association of Real Estate Brokers, Inc. was born over 60 years ago with the inception of the parent organization NAREB. NAREB's formation in 1947 involved eleven men and one woman, Mrs. Naomi Black of Detroit, Michigan. In 1948, at the first NAREB convention, a major highlight was the role of women in the National Association of Real Estate Brokers. It was officially determined that women brokers would be recognized in two capacities: (1) The participation of women in the election process as officers; and (2) The appointment of women to offices in NAREB. By the time the fifties roared in, women were joining NAREB at an incredible rate. The vision and determination of a few women made the Women's Council of NAREB a reality; and at the NAREB Convention in 1971, in Atlanta, Georgia, the Council was formed and organized. The Women's Council represents the largest of NAREB's ten affiliate organizations.

MISSION

The mission of the Women's Council of the National Association of Real Estate Brokers, Inc. is to elevate the standards of women in the real estate industry by encouraging leadership, education and the exchange of information through group learning techniques; and to provide the opportunity for women to increase their knowledge and expertise of all facets of real estate.

MEMBERSHIP

Membership in the Women's Council of the National Association of Real Estate Broker, Inc. allows its members to enjoy being on the cutting edge, advocating fair housing, economic equality, educational training, and social dignity. Members are encouraged to become premier leaders in their respective communities, with the reassurance that collective voices can achieve greater accomplishments, splendor, in the real estate industry through our parent organization (NAREB). (3) Provides key advice on how to enter real estate fields that earn specialized designations. (4) Develops affiliation with other women organizations that share our philosophy in housing. (5) Promotes real estate as a profession through its mentorship and apprenticeship programs to high school seniors and college students. (6) Promotes homeownership through various homebuyer programs by which the membership is up-to-date and well-informed. Members of the Women's Council of the National Association of Real Estate Brokers, Inc. are dedicated to the promotion of ethical conduct in the interface of its members with the public. We are further committed to utilizing our collective efforts to secure a higher quality of professional service to the communities in where we live, serve, work and play.

FORMER WOUNDED WARRIOR SCHOLARSHIP RECIPIENT

The Women's Council of NAREB Wounded Warrior Scholarship Award began as a vision of Past President Claretta Isom. This award is presented periodically to a United States Veteran in recognition of their service to our country. This mission is accomplished through various programs that provide employment/workforce development and re-entry services, housing assistance and fatherhood/parenting education. Local agencies that service veterans serve as the referring entity for selecting Wounded Warrior Scholarships.
